3. Trips

None

4. Administration

Another recruit has received full clearance. I/WA is awaiting word as to when he will enter on duty.

5. Plans

I/WA intends to consolidate its sections dealing with the European Satellites and the Far East. The completion of the report on the Munitions Industry of Communist China, coupled with the paucity of information coming in permit a reassignment of personnel and research time to other problems.

It is planned to bring up to date Project 31.487. This paper completed review and was returned to us one year after its initial submission. Before putting it out, more recent information should be included.
